Saying Goodbye: to the people, places, and things in our lives A Dream of Things Anthology

Saying Goodbye is a collection of true stories about saying goodbye to the people, places, and things in our lives. The stories are universal. They are incredibly powerful and moving. And they are surprisingly uplifting and cathartic. "The stories are about love, really, not sadness," says one critic. "Despite all the sadness and grief that come with saying goodbye, there is love and joy and comedy on the Other Side." Says another: "If you have ever had to deal with loss, read this book. It will make you feel better."

These stories show that there is sadness in goodbyes, but there is also irony and humor. We cry about the sad stories, we laugh at the funny ones, and along the way, we learn valuable lessons about how we say goodbye -- sometimes under the most difficult of circumstances. We learn because the contributors are unflinchingly open and honest when it comes to sharing very personal stories about how they and their loved ones say goodbye. Taken together, these stories serve as amazing examples of how to say goodbye with grace, dignity, and good humor.

Saying Goodbye is the first anthology in a new series from Dream of Things intended to fill the gap between popular anthologies of stories that are "short and sweet" and the Best American Essays series, which are longer form. Dream of Things anthologies are collections of quality stories between 500 and 2,500 words. Instead of short and sweet, these stories are short and deep.
