HOW DO WE KEEP AMERICA GREAT?

Rick Baker, former mayor of St. Petersburg, Florida, provides a compelling—and challenging—answer: by making American cities great. And great cities are built first of all through strong leadership.

During his two terms in office, Rick Baker worked toward a clear, uncompromising goal: to make St. Petersburg the best city in America. He led a downtown renaissance, rebuilt the most economically depressed area of the city, attracted businesses, worked to reduce violent crime, and made public schools a city priority—all with measurable results. *The Seamless City* offers practical advice, based on his nine years of experience in City Hall, to show how every mayor and city council can make their city dramatically better.

In *The Seamless City* you'll step behind the scenes of city government to learn:

How maintaining basic amenities, like running water, requires constant vigilance—and sometimes tough decisions on the part of city leadership
Why a vibrant downtown is essential to attract businesses and create jobs
Why the most effective leadership is *servant leadership*
How to find and implement the most effective solutions to a city's most challenging problems
Why city government needs to regard the city as a seamless whole, with no section under-served or overlooked
