This inspired desk calendar and planner makes managing your family's activities and appointments a snap! (Well, almost.)

- 18-month planner (July 2012–December 2013, from back-to-school through the next year's holidays)
- Each two-page spread displays your weekly "master plan"—there's a column for each family member.
- Tabs for each month.
- Address pages
- Tear-out "To-Do" lists
- Pretty "Butterflies" cover design is fresh and appealing; gold foil highlights and glossy accents add an elegant touch.
- Elastic band place holder
- Engagement calendar is sized right (7-3/4" wide x 9-1/4" high) for your desk, kitchen counter, or in your tote bag
- Concealed wire-o binding lies flat for ease of use
- Removable cover band

"This is the best appointment book I have ever had."

From reader reviews:

Minerva Gagliano:

What do you consider book? It is just for students because they are still students or it for all people in the world, the actual best subject for that? Only you can be answered for that concern above. Every person has diverse personality and hobby for each other. Don't to be forced someone or something that they don't wish do that. You must know how great along with important the book 2013 Butterflies Mom's Weekly Planner (18-month Calendar). All type of book are you able to see on many sources. You can look for the internet resources or other social media.

Kurt Gomez:

The actual book 2013 Butterflies Mom's Weekly Planner (18-month Calendar) has a lot associated with on it. So when you read this book you can get a lot of advantage. The book was compiled by the very famous author. Mcdougal makes some research prior to write this book. This particular book very easy to read you can get the point easily after perusing this book.

Andrew Schulz:

The reason? Because this 2013 Butterflies Mom's Weekly Planner (18-month Calendar) is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will distress you with the secret that inside. Reading this book next to it was fantastic author who all write the book in such awesome way makes the content on the inside easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have got such as help improving your proficiency and your critical thinking approach. So , still want to hold up having that book? If I had been you I will go to the e-book store hurriedly.

John Guenther:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just little students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this 2013 Butterflies Mom's Weekly Planner (18-month Calendar) can make you sense more interested to read.
