A Short History of the Italian Renaissance Kenneth R. Bartlett

Award-winning lecturer Kenneth R. Bartlett applies his decades of experience teaching the Italian Renaissance to this beautifully illustrated overview. In his introductory Note to the Reader, Bartlett first explains why he chose Jacob Burckhardt's classic narrative to guide students through the complex history of the Renaissance and then provides his own contemporary interpretation of that narrative. Over seventy color illustrations, genealogies of important Renaissance families, eight maps, a list of popes, a timeline of events, a bibliography, and an index are included.
