## **Rick Steves' Europe: London and Paris [VHS]** Rick Steves

Rick Steves doesn't just list where to travel in Europe, he leads travelers through the "back door," and reveals how to delve into European culture, connect with the locals, and experience each region's natural wonders economically and hassle free. Beautifully filmed on location throughout Europe, his newest video series captures the essence of each destination and highlights the best local sights, from world-famous attractions to lesser-known gems. In London, Rick whispers secrets across the dome of St. Paul's Cathedral and eats his way through Soho. Then he checks out the treasures of the new British Library, rolls with the drums at the Changing of the Guard, and cruises the Thames to Kew Gardens. In Paris, he marvels at the masterpieces in the Louvre, explores a delightful Parisian neighborhood, meets a pipe organist, drops by a butcher shop, designs his own perfume, and cruises the Seine. "It's Rick Steves again, that one-man Euro-dynamo." -- Chicago Tribune
