## **The Art of People Management in Libraries: Tips for Managing your Most Vital Resource (Chandos Information Professional Series)** James McKinlay, Vicki Williamson

This book explores recent trends in human resource management practices and presents options for their application within the special context of libraries, especially academic and research libraries. It lays out a set of the most pressing HR management issues facing senior library leaders in the context of continuous organisational change in the 21st century and offers library practitioners effective tips for people management.

- A practical 'how-to' book that provides realistic and proven solutions to real-world challenges
- Provides examples from organizations to highlight concepts and their applications
- Summary of key points at the end of each chapter, as well as specific tips in three areas: A - Attention (things to pay attention to); R - Results (initiatives that help to achieve desired results) and T - Techniques (ways to apply the concepts presented).
