The Soviet World of American Communism (Annals of Communism Series)

Mr. Harvey Klehr

The Soviet World of American Communism (Annals of Communism Series) Mr. Harvey Klehr
Drawing on documents newly available from Russian archives, this important book conclusively demonstrates the continuous and intimate ties between the Communist Party of the United States of America (CPUSA) and Moscow. Digging even deeper than the authors' earlier volume, *The Secret World of American Communism*, it conclusively demonstrates that the CPUSA was little more than a pawn of the Soviet regime.
