## **The Wreckers (The High Seas Trilogy)** Iain Lawrence

There was once a village bred by evil. On the barren coast of Cornwall, England, lived a community who prayed for shipwrecks, a community who lured storm-tossed ships to crash upon the sharp rocks of their shore. They fed and clothed themselves with the loot salvaged from the wreckage; dead sailors' tools and trinkets became decorations for their homes. Most never questioned their murderous way of life.

Then, upon that pirates' shore crashed the ship *The Isle of Skye*. And the youngest of its crew members, 14-year-old John Spencer, survived the wreck. But would he escape the wreckers? This is his harrowing tale.

*From the Trade Paperback edition.*
