Walking Through Walls: A Memoir Philip Smith

***Running with Scissors* meets *Bewitched* in this irresistible memoir, as Philip Smith describes growing up in 1960s Miami with his decorator father, who one day discovers he has the miraculous power to talk to the dead and heal the sick.**

After a full day of creating beautiful interiors for the rich and famous, Lew Smith would come home, take off his tie, and get down to his real work as a psychic healer who miraculously cured thousands of people. For his son, Philip, watching his father transform himself, at a moment's notice, from gracious society decorator into a healer with supernatural powers was a bit like living with Clark Kent and Superman.

Walking Through Walls is Philip Smith's astonishing memoir of growing up in a household where séances, talking spirits, and exorcisms were daily occurrences, and inexplicable psychic healings resulted in visitors suddenly discarding their crutches and wheelchairs or being cured of fatal diseases.

While there are benefits to having a miracle man in the house, Philip soon discovers the downside of living with a father who psychically knows everything he is doing. Surrounded by invisible spirits who tend to behave like nagging relatives, Philip looks for ways to escape his mystical home life -- including forays into sex, surfing, and even Scientology.

By turns hilarious and profound, *Walking Through Walls* recounts Philip Smith's often bizarre but always magical coming of age in a household that felt like a cross between Lourdes and the set of *Rosemary's Baby*, and shows how he managed to map out his own identity in the shadow of a father who, truly, loomed larger than life itself.

From reader reviews:

Jessica Peacock:

Nowadays reading books become more than want or need but also work as a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want attract knowledge just go with schooling books but if you want truly feel happy read one together with theme for entertaining like comic or novel. The actual Walking Through Walls: A Memoir is kind of guide which is giving the reader unforeseen experience.

Leticia Nielson:

Information is provisions for people to get better life, information nowadays can get by anyone at everywhere. The information can be a information or any news even an issue. What people must be consider when those information which is in the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one the resource are convinced. If you receive the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take Walking Through Walls: A Memoir as your daily resource information.

Mariano Smith:

The book untitled Walking Through Walls: A Memoiris the main one of several books this everyone read now. That book was inspired many men and women in the world. When you read this guide you will enter the new age that you ever know just before. The author explained their plan in the simple way, so all of people can easily to be aware of the core of this guide. This book will give you a large amount of information about this world now. To help you see the represented of the world within this book.

Norman Duque:

This Walking Through Walls: A Memoir is great reserve for you because the content and that is full of information for you who have always deal with world and still have to make decision every minute. This particular book reveal it information accurately using great coordinate word or we can point out no rambling sentences in it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but difficult core information with lovely delivering sentences. Having Walking Through Walls: A Memoir in your hand like keeping the world in your arm, data in it is not ridiculous a single. We can say that no guide that offer you world throughout ten or fifteen minute right but this book already do that. So , this really is good reading book. Hey there Mr. and Mrs. stressful do you still doubt in which?
