Fire Engine No. 9 Mike Austin

Told almost entirely in sound words, this day-in-the-life look at firefighters and their fire truck will appeal to the youngest vehicle enthusiasts and to parents with a penchant for exuberant read-aloud sessions. With art reminiscent of Donald Crews's transportation books, Mike Austin evokes the excitement of a 911 call as we follow firefighters sliding down the fire pole, racing through town, and up the ladder truck. Includes fire safety tips from the Federal Emergency Management Agency.
