Excerpt from Michael Servetus: His Life and Teachings

The recent celebrations of the four hundredth anniversary of Calvin's birth have once more brought to public notice his treatment of Michael Servetus, the Spanish physician and reformer. Catholic and Protestant foes of Calvinism have gleefully pointed to the auto-da-fe in Geneva as evidence of Calvin's fanaticism and cruelty; it has been a pleasure, evidently, to rub the salt of this case into the one ever open sore of the Calvinistic brethren.

Just tiny students that have reading's heart and soul or real their leisure activity. They just do what the professor wants, like asked to go to the library.
