A Walk around the Pond Gilbert WALDBAUER

In his hallmark companionable style, Gilbert Waldbauer introduces us to the aquatic insects that have colonized ponds, lakes, streams, and rivers, especially those in North America. Along the way we learn about the diverse forms these arthropods take, as well as their remarkable modes of life. While learning about the evolution, natural history, and ecology of these insects, readers also discover more than a little about the scientists who study them.
