Boston not only pays homage to this historic city, it brings it to life. Packed with more than 175 fabulous, full-color photos, it's a visual treat that's also loaded with tons of interesting, little-known details, including an engaging sidebar on why Bostonians talk the way they do. Brimming with an extended introduction and detailed captions, *Boston* tells readers about such fascinating trivia as the fact that the first Pope to step foot on U.S. soil visited Boston-sort of!-and that the Old North Church was the site of one of the world's first manned glider flights.

Whether you're a tourist planning a trip to Boston or a native looking for unusual, delightful facts about this city, you'll appreciate the book's spectacular photography, attractive map, helpful suggestions on where to go for more information, index, and suggested readings.

*CityLife Pictorial Guides* from Voyageur Press showcase the people, places, and activities that make our cities vibrant places to live and visit. *CityLife Pictorial Guides* fully capture each city's unique signature through a balance of crisp color photography, informative captions, and fascinating historical material.
