Introducing Children to Silence and Prayer: For Catechists and Parents (Spanish Edition) Benavides M. Luis

Through prayer, very young children can learn to talk with God and to build their faith and trust in him in the greatest and hardest of times. In *Introducing Children to Prayer*, author Luis M. Benavides, explores this belief. By walking catechists and families through the process, he helps them to get to know God and to communicate with the God who loves them. Furthermore, Benavides helps us to reexamine our own attitudes about prayer, as he offers a different perspective to help children begin the journey and deepen their relationship with God.
