When a woman's life needs to be embodied, her essence needs to be defined, we come upon SRIJANA. It is the story of a woman in the true sense of the term "prakriti" or the womb; the creator of beings. But when such creation succumbs to the dark side of existence it is this very creative energy that does not hesitate to destroy its own. Meandering on layered relationships of the modern world and

a woman's single minded fight Srijana summarises "courage" as we all would like to portray or be a part of her journey through the toughest trek of "life".
