The Facet Copyright Collection is an all-encompassing guide to copyright for librarians, information professionals, archivists, records managers and curators. The Collection contains three books, all fully up-to-date with the new legislation which came into force in 2015, from the UK's leading copyright experts Graham P Cornish, Paul Pedley and Tim Padfield. The books included in the Collection are: \*Copyright: Interpreting the law for libraries, archives and information services, 6th edition; which explains the provisions of the UK Copyright Act in an easy- to-use question-and-answer form \*Practical Copyright for Library and Information Professionals; which provides sensible and realistic guidance for library and information professionals to the copyright issues which are of the greatest importance for carrying out their day-to-day work. \*Copyright for Archivists and Records Managers, 5th edition; which outlines copyright law in the UK with special reference to materials relevant to archive and records collections. This Collection will be essential reading for all librarians, information professionals, archivists, records managers, curators, researchers, genealogists and LIS students.
