In his #1 *New York Times* bestseller *Crimes Against Liberty*, David Limbaugh penned a damning indictment of President Barack Obama's misrule during his first two years in office. In Limbaugh's blockbuster new book, *The Great Destroyer*, he sets his sights on the remainder of Obama's presidency revealing President Obama's latest crimes against liberty. Exposing Obama's counterfeit image as a champion of bipartisan compromise, Limbaugh relates in shocking detail how the president resorts to class-warfare demagoguery to advance a stunningly ideological agenda. *The Great Destroyer* also reveals how Obama's left-wing policies have become increasingly destructive to the nation, putting America on a collision course with fiscal ruin and international powerlessness. We must drastically change course, Limbaugh argues, or else our country will fall into an abyss that could take generations from which to escape. Controversial, compelling, and original, *The Great Destroyer* ingeniously picks up where *Crimes Against Liberty* left off, and is Limbaugh's most powerful book yet.
