INDIAN CHURCH HISTORY

etc., etc.

The History of the Oriental Churches remains a desideratum in Oriental Ecclesiastical histories generally extant. The few notices of those Churches} even in the more elaborate compilations} fall exceedingly short of their importance, and bear little or no proportion to that of the Protestant and Catholic Churches of Europe: the reason is obvious-the Greek and Latin historians for the most part, confined their accounts within the bounds and periods of their respective Churches} and the duration and extent of their establishments always furnished them with abundant matter without seeking further, and extending their inquiries to the ORIENTALS. Historians succeeded historians, each gathering as he went in one uniform course} with little difference, excepting as to time or place, and our writers have gathered from them, with some improvements, it must be allowed, but not so as to produce a complete and entire Church
