Over the years, the inhabitants of Deep Mountain have carved out a happy and satisfying way of life for themselves. Only Brik, under pressure to choose his future life's work, finds himself wanting more. Still, once he manages to find his way to a mythical land he thought existed only in stories, all he wants is to find his way back home. Meanwhile, in the fabled land of Aeria, things are not well. Malas and Mages, longtime rivals in magic, must find a way to work together, or Aeria is doomed. No one, including Brik himself, believes that he has any role in Aeria's future, but forces are at work drawing him, against his will, towards a fate he could never have imagined.
