My Car Board Book Byron Barton

With prose as clean as Sam's the narrator's shiny engine, Byron Barton, the celebrated creator of numerous picture books for very young children, including *Trucks*, *My Bus*, and *Building a House*, explores transportation, the parts of a car, signs and signals, night and day, community, and occupations.

Bright, graphic artwork invites readers to count, name colors and shapes, and follow Sam and his car as they drive through a bustling world from Sam's home in the country to his job in the city. The surprise ending is a gem! "For young children intrigued by cars, this book is simply wonderful."—*ALA Booklist*
