## **The Lovely Whales (World of Happy)** Giles Andreae

There was once a time when whales were rather small. But, long ago, there were two whales who CHANGED their kind for good. “I LOVE you,” said the gentleman, “I do.” “I love you MORE,” the lady said right back. Now, something ODD began to happen. At every declaration of desire, each whale became a little BIGGER than before . . . until the whales grew to become the largest creatures in the universe. And so begins a story about LOVE and HAPPINESS – featuring a boisterous audio soundtrack, voiced by Geoffrey Palmer. World of Happy is a funny and heart-warming new series from Giles Andreae, the bestselling author of Giraffes Can’t Dance, Rumble in the Jungle and Captain Flinn and the Pirate Dinosaurs. World of Happy . . . because life is FUN!
