The True Patriot Eric Liu, Nick Hanauer

Over the course of a generation, patriotism in America has been hijacked by the right and abandoned by the left. But the principles and values of true patriotism; country above self, contribution above consumption, stewardship over exploitation, freedom with responsibility, purpose through sacrifice and service, pragmatism, a fair shot for all; are inherently progressive. The True Patriot, written in the pamphleteering style of Thomas Paine (Common Sense), challenges progressives to reclaim patriotism; and spells out just how to do it. This powerful and timely "little red book" combines a manifesto, a ten-principle plan, a model speech, and a moral code. Throughout, it weaves between the words of the authors and excerpts from foundational American texts and speeches, as well as a parade of iconic American images.
