Very Simple Arabia James Peters

Peters combines an authoritative text with his inimitable cartoons like no other author dealing with this subject today. The author of *The Arab World Handbook* proves once again to be an indispensable guide and companion for any visitor (on business or pleasure) to the fascinating and sometimes demanding land that is the Arab world. Split into two parts, *Simple Etiquette in Arabia* and *The Customs and Culture of Arabia*, James Peters extracts the common denominators of etiquette in the Gulf, as well as describing the essential first steps in understanding the place, the people and the culture.
