120 giorni: L'équipe di un Hospice racconta (GrandAngolo) (Italian Edition) Angela Barbieri

Un'infermiera e una volontaria incrociano le loro vite in un Hospice, un reparto creato sul tipo di quelli di vari ospedali italiani per accogliere malati terminali: persone la cui aspettativa di vita non supera, per l'appunto, i 120 giorni.

“Entro in quelle stanze come una persona e sono in contatto non più con un insegnante, un elettricista, un geometra, ma con un'altra persona, sofferente. L'incontro impone a entrambi un mettersi in gioco pericoloso, dove non ci sono difese e lo scambio a livello personale è indispensabile. Non c'è più teoria, ma solo fatti: non c'è più l'ombra della morte, ma solo la sua prepotente presenza. Non esiste più il tempo, ma solo la certezza di averne poco e l'oculatezza di non sprecarlo più.

Non riuscirei più tanto facilmente a ritornare come infermiera in una normale corsia d'ospedale; forse perché, per la prima volta, ho potuto lavorare in un posto dove si è dato il giusto valore al tempo e ho potuto 'essere' infermiera. Con tutta me stessa”.
