Call Me Ted

Ted Turner, Bill Burke

Call Me Ted Ted Turner, Bill Burke

An innovative entrepreneur, outspoken nonconformist, and groundbreaking philanthropist, Ted Turner is truly a living legend, and now, for the first time, he reveals his personal story. From his difficult childhood to the successful launch of his media empire to the catastrophic AOL/Time Warner deal, Turner spares no details or feelings and takes the reader along on a wild and sometimes bumpy ride. You'll also hear Ted's personal take on how we can save the world...share his experiences in the dugout on the day when he appointed himself as manager of the Atlanta Braves....learn how he almost lost his life in the 1979 Fastnet sailing race (but came out the winner)...and discover surprising details about his dealings with Fidel Castro, Mikhail Gorbachev, Jimmy Carter, Bill Gates, Jack Welch, Warren Buffett, and many more of the most influential people of the past half century. Ted also doesn't shrink from the darker and more intimate details of his life. With his usual frankness, he discusses a childhood of loneliness (he was left at a boarding school by his parents at the tender age of four), and the emotional impact of devastating losses (Ted's beloved sister died at 17 and his hard-charging father committed suicide when Ted was still in his early 20's). Turner is also forthcoming about his marriages, including the one to Oscar-winning actress, Jane Fonda. Along the way, Ted's friends, colleagues, and family are equally revealing in their unique "Ted Stories" which are peppered throughout the book. Jane Fonda, especially, provides intriguing insights into Ted's inner drive and character. In *Call Me Ted*, you'll hear Ted Turner's distinctive voice on every page. Always forthright, he tells you what makes him tick and what ticks him off, and delivers an honest account of what he's all about. Inspiring and entertaining, *Call Me Ted* sheds new light on one of the greatest visionaries of our time.

Jonathan Sanders:

Playing with family in a park, coming to see the marine world or hanging out with good friends is thing that usually you may have done when you have spare time, in that case why you don't try matter that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Call Me Ted, it is possible to enjoy both. It is great combination right, you still desire to miss it? What kind of hangout type is it? Oh can happen its mind hangout guys. What? Still don't obtain it, oh come on its referred to as reading friends.

Concepcion Shaw:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Call Me Ted can make you really feel more interested to read.
