Calvin The Man and the Legacy

Calvin The Man and the Legacy

Alongside essays on aspects of Calvin's Theology, Calvin: The Man and the Legacy includes studies of Calvin as pastor, preacher and liturgist and traces the influence of Calvin as it was conveyed through Scottish migration to Australia and New Zealand. Fascinating stories are told of the ways in which the Calvinist tradition has contributed much to the building of colonial societies, but also of the ways it has attracted ridicule and derision and has been subject to caricature that is sometimes deserved, sometimes humorous, but often grossly misleading.
