Inputs tools & techniques and outputs (ITTOs) of the PMBOK Guide Fourth Edition are an essential part of both the PMP and CAPM exams. This book presents an ITTO centric view of the PMBOK Guide, enabling the reader to see the core components of the PMBOK Guide from an ITTO perspective rather than just a process perspective. Each input is emphasized with illustrations of ITTOs used in multiple processes. The diagrams in this book are arranged alphabetically by input & output and by tool & technique. With this book, readers can easily identify patterns where outputs from one process are used as inputs to others thereby reinforcing knowledge and concepts essential for PMBOK Guide mastery. This book also comes with access to online ITTO tools and games for the PMP and CAPM Exams.
