Welcome to Junebug Farms, a successful, well-known animal shelter in upstate New York, where every day brings something new—love, stress, heartbreak, warmth—and not just from the animals.

Lisa Drakemore is in charge of intake and adoption at Junebug. She excels at her job, in large part because of her ability to keep her emotions in check. Her past has given her many years of practice and she's become a pro. But once she meets dog-walking volunteer Ashley Stiles, a distractingly attractive, perpetually late, emotions-on-her-sleeve young woman who smells like cupcakes, all bets are off for Lisa.

The first of the Puppy Love Romances by award-winning author Georgia Beers.
