Give them room to roam outdoors and fun places to play and you'll create backyard memories that will last a lifetime--with the added benefit of getting kids away from their computers and video games.

Like its successful predecessor, Kids' Places to Play, Backyards for Kids is loaded with ideas and how-to instruction for building projects like swing sets and treehouses, with innovative ideas for integrating play areas into the overall landscape design that adults will appreciate as well.

Author Ziba Kashef, who has a young son, was editor in chief of Pregnancy magazine and was also previously on the editorial staff at McCall's and Parenting magazines.

Features:

A strong focus on promoting physical activities--from basketball and baseball and soccer to skateboarding and trampolines--by creating fun and adventurous outdoor areas that kids will want to choose over electronic entertainment
