Let's Read presents a simplified method of teaching reading based on the alphabet and centered around spelling patterns. it teaches the child one thing at a time. Leonard Bloomfield (1887-1949), one of the greatest linguists of our time, created these lessons based on firm scientific principles so that he could teach his own children to read.

Let's Read was published for the first time by Wayne State University Press in 1961. It has been reprinted many times, and is a recognized classic in the field of reading instruction.
