*The unforgettable crew of characters that made RM Johnson's debut novel The Harris Men a bestseller return in this riveting story of love, loss, and second chances.*

Life hasn't been easy for Julius Harris since he walked out on his wife and three sons twenty-five years ago. He may be blessed with the love of a wonderful new woman and a beautiful home in California, but not a moment passes that he isn't filled with regret for the fateful choice he made so many years ago. What's worse, he's now fighting for his life against an illness that leaves him with little hope of ever rebuilding the family lost to him. Julius has learned the hard way that there's nothing more precious than family -- and nothing more painful than being estranged from those you love.

But suddenly Julius receives news that gives him fresh hope of making his family whole again: his cancer has gone into remission. Overjoyed, Julius is grateful for this miracle and the time it affords him to make up for his past mistakes. Fulfilling his dream won't be easy, however.

Across the country in Chicago, life isn't exactly simple for his three grown sons -- now in their thirties and busy with families and romantic entanglements of their own. The oldest son, Austin, a handsome and successful attorney, struggles to be a good father to his two children despite his ex-wife's determination to turn them against him. Marcus, the middle son, a self-employed graphic designer, wrestles with a fear of commitment that leads him to drive away the woman he loves. And Caleb, the youngest, just released from prison for armed robbery, tries desperately to rebuild his life and win back the wife and son lost to him as a result of his past mistakes. Between the struggles of romance and career, these three brothers have a difficult enough time being there for one another -- let alone a father they haven't seen in so many years. Nor are they so sure they're ready to let him back into their lives.

Filled with intrigue, romance, and shocking twists, *The Harris Family* is a deliciously gripping story of contemporary black relationships and, ultimately, a moving testament to the power of family, love, and forgiveness.
