Writing in the Disciplines (Universities into the 21st Century) Mary Deane, Peter O'Neill

'Writing in the Disciplines' (WiD) is a growing field in which discipline-based academics, writing developers, and learning technologists collaborate to help students succeed as subject specialists. This book places WiD in its theoretical and cultural contexts and reports on initiatives taking place at a range of UK higher education institutions. Also includes surveys of current developments and scholarship in the US, Australia, Europe and elsewhere, making it of interest to both a UK and an international audience.
