Calculated Risk

Zoe M McCarthy

Calculated Risk Zoe M McCarthy

Believing they're too opposite to attract, a jilted, vibrant marketing gal and a private numbers guy spend Thanksgiving with his family. She loves classical music; he listens to 70s tunes. She drives a red SUV; he owns a beige sedan. She orders a peppermint shake with extra chocolate bits; he prefers vanilla. What can change the improbable odds they'll fall in love?

"Dating on the rebound, meddling parents, opposites fighting the attraction. . .with humor and tenderness, Zoe M. McCarthy puts fun, fresh spins on these favorite themes. No risk involved in picking up this romantic read!" ~~Becky Melby, author of the Lost Sanctuary Series

"It's easy to enjoy this story of faith, family and how two people find love at the exact time in their lives they need each other most. I loved spending Thanksgiving with Nick's family almost as much as Cisney did! Calculated Risk is a perfect title for a story of two people whose lives and livelihood must include measuring risk, but there is no risk for a reader in choosing this delightful romance!" ~~Maureen Lang, author of All in Good Time
