Lisa Black

**Defensive Wounds (Theresa MacLean series Book 4)** Lisa Black

“There are many forensic experts. There are many writers. Rarely, however, do the two meld as seamlessly and synergistically as Lisa Black.”

—*Sacramento Book Review*

“She is, quite simply, one of the best storytellers around.”

—Tess Gerritsen

A former forensic scientist with the Cleveland coroner’s office, Lisa Black knows the world she writes about, as she has proven in the past with her gripping thrillers featuring Theresa MacLean (*Takeover*, *Evidence of Murder*, *Trail of Blood*). With *Defensive Wounds*, Black delivers possibly her most sensational crime fiction masterwork to date—a stunning tale of forensic expert MacLean’s investigation into the brutal murder of a criminal defense attorney at a Cleveland convention that reveals the frightening presence of a serial killer prowling the city. The forensic police thriller remains one of the most popular sub-genres in contemporary mystery fiction, and *Defensive Wounds* once again proves that Lisa Black is one of the “big guns,” in the top tier alongside Patricia Cornwell, Kathy Reichs, Jefferson Bass, and Michael Connelly.
