*The third title in a series of inspirational books for preschoolers.*

In *Rufus and Ryan Celebrate Easter!*, four-year-old Ryan and his stuffed monkey, Rufus, learn about the meaning behind the Easter holiday. They celebrate with colored eggs and Easter baskets but learn that Easter is really a day to celebrate the Resurrection of Jesus, God's son. Author Kathleen Bostrom brings a delightfully light touch to the text as she provides an introduction to a holiday that most children experience long before they understand why. And children everywhere will relate to the idea of explaining their surroundings to their favorite companions as they go about their daily activities. Ages 2-5.
