The New Machiavelli: How to Wield Power in the Modern World Jonathan Powell

The New Machiavelli is a gripping account of life inside 'the bunker' of Number 10. In his twenty-first century reworking of Niccolo Machiavelli's influential masterpiece, *The Prince*, Jonathan Powell - Tony Blair's Chief of Staff from 1994 - 2007 - recounts the inside story of that period, drawing on his own unpublished diaries.

Taking the lessons of Machiavelli derived from his experience as an official in fifteenth-century Florence, Powell shows how these lessons can still apply today. Illustrating each of Machiavelli's maxims with a description of events that occurred during Tony Blair's time as Prime Minister, *The New Machiavelli* is designed to be *The Prince* for modern times.
