So you've got a website, but now what? How do you keep it vibrant and attractive to your prospective clients? With web content! Blog posts, articles, newsletters, client stories and social media updates can all work together to:

- \* Keep your site fresh
- \* Start a relationship with your visitors
- \* Build trust in you and your services

Web content helps you go beyond just telling your visitors who you are and what you do. It engages your prospective clients in a conversation that is based on who they are and what they are dealing with. It starts you out on the right foot by demonstrating your expertise and providing service right from the start - with valuable information they're looking for right now.

This book will help you create high-quality content and publish it consistently throughout the month. Here's a taste of what you'll discover inside:

- \* How giving away free information attracts clients to hire you
- \* How to structure your content writing time for maximum results
- \* How to transition from publishing a monthly newsletter to posting to a blog throughout the month
- \* Why content marketing is a highly-effective alternative to speaking, cold calling, and paid advertising (I can almost hear you sighing in relief!)
- \* How a consistent publishing schedule will help you land more clients
- \* How to talk back to that inner voice that says, "I'm no expert, who am I to write an article?"
- \* How to claim your expertise using other people's content (no plagiarism required!)
- \* Why traditional article marketing could actually be hurting your business reputation (and how to get your content out there the RIGHT way)
- \* How to capture your great ideas no matter where you are and banish article writer's block forever
- \* Advanced writing skills that will make your content stand out
- \* And much, much more!
