## El sutra del loto (Spanish Edition) Anónimo

El Sutra del loto es el texto sagrado más influyente del budismo Mahayana, cuya vocación es acercar el mensaje budista a la población laica. Se caracteriza por su mensaje universalista y la belleza de sus imágenes, símiles y parábolas, que apelan a las emociones y desafían al intelecto. Sus 28 capítulos, que combinan verso y prosa, presentan un universo cósmico, más allá del tiempo y del espacio, en el que el Buda eterno predica la doctrina suprema. Su mensaje es que existe un vehículo único para alcanzar la salvación: la apertura completa a la enseñanza del Buda y la fe en que el estado de Budeidad está al alcance de todos los seres.

A partir del siglo xx, con la llegada del budismo a Occidente, El Sutra del loto, cuyo mensaje es capaz de adaptarse e inspirar a los corazones de todas las personas, se ha convertido en uno de los faros espirituales del hombre moderno.

\*\*\*\*\*

El texto originario de El Sutra del loto data de los siglos I-II d.C. y recoge diversos textos sánscritos sobre la enseñanza del Buda. Con la expansión del budismo a Extremo Oriente, esta obra fue traducida, ampliada y comentada, ejerciendo una influencia profunda y duradera en China, Corea y Japón.

Para facilitar la lectura espiritual del Sutra, esta edición presenta un texto fluido, sin aparato crítico. Incluye, además, una completa introducción del Dr. Carlos Rubio, experto en historia y cultura de Japón, y un glosario final exhaustivo de términos budistas
