Small Town Sinners Melissa Walker

Lacey Anne Byer is a perennial good girl and lifelong member of the House of Enlightenment, the Evangelical church in her small town. With her driver's license in hand and the chance to try out for a lead role in Hell House--her church's annual haunted house of sin--Lacey's junior year looks promising. But when a cute new stranger comes to town, something begins to stir inside of her. Ty Davis doesn't know the sweet, shy Lacey everyone else does. With Ty, Lacey could reinvent herself. As her feelings for him make Lacey test her boundaries, events surrounding Hell House make her question everything she's ever known about her religion.

Melissa Walker has crafted the perfect balance of engrossing, thought-provoking topics and relatable, likable characters. Set against the backdrop of extreme religion, *Small Town Sinners* is foremost a universal story of first love and finding yourself, and it will stay with readers long after the last page.
