The honeymoon is over—and it's time for Mike Shayne to prepare for Miami's killing season

For years, Mike Shayne has tangled with the toughest crooks the country has to offer, outsmarting some and outpunching the rest. He was good at his job, but he had no one to come home to—until he met Phyllis. After rescuing his damsel in distress more than once, the hard-boiled PI found himself falling in love, and before he knew it, they were married and on their honeymoon in Cuba. Unfortunately for the lovebirds, their migration home to Miami marks the height of tourist season, when every gangster in America travels south to play. He may be a married man, but Mike Shayne won't be spending this balmy winter cozied up at home.

When a real-estate developer tries to hire Shayne to break into his home as part of an insurance-fraud scam, the scheme quickly turns to murder. With more deaths on the horizon, Shayne will have to be careful if he doesn't want to celebrate his first wedding anniversary behind bars.
