The Witch of Babylon D. J. McIntosh

Out of the searing heat and sandstorms of the infamous summer of 2003 in Baghdad comes *The Witch of Babylon*, a gripping story rooted in ancient Assyrian lore and its little-known but profound significance for the world.

John Madison is a Turkish-American art dealer raised by his much older brother, Samuel, a mover and shaker in New York's art world. Caught between his brother's obsession with saving a priceless relic looted from Iraq's National Museum and a deadly game of revenge staged by his childhood friend, John must solve a puzzle to find the link between a modern-day witch and an ancient one.

Aided by Tomas, an archaeologist, and Ari, an Iraqi photojournalist—two men with their own secrets to hide—John races against time to decipher a biblical prophecy that leads to the dark history behind the science of alchemy. Kidnapped by villainous fortune hunters, John is returned to Iraq, where a fabulous treasure trove awaits discovery—if he can stay alive long enough to find it.

International thriller-writing sensation D. J. McIntosh makes her American debut with *The Witch of Babylon*.

From reader reviews:

Irene Parker:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each guide has different aim or perhaps goal; it means that e-book has different type. Some people experience enjoy to spend their a chance to read a book. They are really reading whatever they acquire because their hobby is reading a book. What about the person who don't like reading through a book? Sometime, particular person feel need book whenever they found difficult problem as well as exercise. Well, probably you will need this The Witch of Babylon.

Gail Beattie:

Book is to be different for each grade. Book for children till adult are different content. As you may know that book is very important for us. The book The Witch of Babylon had been making you to know about other expertise and of course you can take more information. It is very advantages for you. The guide The Witch of Babylon is not only giving you more new information but also being your friend when you really feel bored. You can spend your personal spend time to read your guide. Try to make relationship together with the book The Witch of Babylon. You never truly feel lose out for everything in the event you read some books.

Gail Cote:

Reading a e-book tends to be new life style within this era globalization. With studying you can get a lot of information that will give you benefit in your life. Using book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire all their reader with their story or maybe their experience. Not only situation that share in the guides. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors nowadays always try to improve their expertise in writing, they also doing some exploration before they write with their book. One of them is this The Witch of Babylon.

Victor Hubbard:

This The Witch of Babylon is great e-book for you because the content which is full of information for you who have always deal with world and possess to make decision every minute. This specific book reveal it information accurately using great arrange word or we can state no rambling sentences within it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but tricky core information with lovely delivering sentences. Having The Witch of Babylon in your hand like finding the world in your arm, info in it is not ridiculous one. We can say that no reserve that offer you world with ten or fifteen tiny right but this book already do that. So , this can be good reading book. Hello Mr. and Mrs. hectic do you still doubt which?
